WRIT PETITION No.28204 of 2005

ORDER:

The grievance of the petitioner is that his claim for regularization through representation, dated 01-10-2005, has not been considered by the first respondent, in the light of the judgment of the Supreme Court in Civil Appeal No.1774 of 1997. The petitioner states that he was taken as Games Marker way back on 10-09-1960 on a monthly salary of Rs.34/- in the first respondent's college and he has completed thirty years of service. He further states that though the first respondent has also forwarded his case to respondents 2 and 3, no action has been taken thereon.

Heard the learned counsel for the petitioner and learned Government Pleader for School Education.

The question of regularizing the services of the petitioner would arise, if only he has been appointed against any post, by the competent authority. The only material placed before this Court by the petitioner is, copy of a resolution, dated 10-09-1960, said to have been passed by the "Games Executive Committee" of the college. Basically, the Games Executive Committee is not the authority, which runs the college. Further, the resolution, dated 10-09-1960, is to the effect that the appointment of the petitioner and three others as Games Peons till April of that year, has been ratified. Nothing is placed before this Court to indicate that the management of the college has ever appointed the petitioner. Therefore, this Court does not find any basis to grant any relief to the petitioner.

Accordingly, the writ petition is dismissed. However, if the petitioner has any right against the management of the college, it shall be open to him to pursue his remedies before any appropriate forum. There shall be no order as

to costs.
